- 3 – Exceeded Expectations
- 2 – Met Expectations
- 1 – Met Expectations with Concerns
- 0 – Did Not Meet Expectations

Program review takes place during spring assessment week with a minimum of 5 reviewers. Each item receiving an average score of 2.0 or less warrants a written response by the program director. An overall average score of 2.0 or less warrants a program revision plan that needs to be presented

to the assessment committee, be approved, and have in place by the following fall.
