IPEDS RETENTION AND GRADUATION RATE

First to second year retention rates of first-time bachelor's degree-seeking undergraduates: Fall 2014

The graph above shows a retention rate for student who enrolled as bachelors students in the 2013 cohort year. Only one full time student enrolled in a 4-year degree and returned in the fall 2014. Hence the retention is 100%. In the vein, only one part time student enrolled in a 4-year degree and returned in the fall 2014, therefore 100% retention.

Facilities and Services Available to Students with Disabilities

Academic Program (Educational Program, Instructional Facilities, and Faculty)

Each school must make available to prospective and enrolled students information about the academic program of the school, including:

- Current degree programs and other educational and training programs
- Instructional, laboratory, and other physical plant facilities that relate to the academic program
- Faculty and other instructional personnel

Any plans by the school for improving the academic program [upon determination by the school that such a plan exists]
