

CERTIFICATION PROGRAM

# Entrepreneurship

NHSC's certificate in Marketing/Entrepreneurship will provide you a broad understanding of marketing and entrepreneurship career opportunities. Knowledge of the concepts and applications will prepare you to enter the job market and/or develop your own small business enterprise. A business internship will provide an opportunity to apply your knowledge and skills while acquiring training and job experience relevant to your field of study.

Career paths available with a certificate in entrepreneurship include:

- Business consultant
- Sales
- Research and development
- Not-for-profit fundraiser
- Teacher
- Recruiter
- Business reporter
