

ASSOCIATE OF ARTS DEGREE PROGRAM

General Studies Nursing Transfer Degree

NHSC's General Studies Nursing Transfer Degree provides an opportunity to acquire basic principles, skills and information in major areas of study with an emphasis in the sciences. The program will prepare you for transfer to a four-year institution with the background knowledge needed to enter a nursing program. The General Studies Program provides a well-rounded educational and cultural experience as well as a solid educational foundation.

Career paths available with an associate's degree in general studies include:

- Nursing aide
- Caregiver
- Emergency medical technician
- Monitor technician
- Phlebotomist
