Greetings from Nueta Hidatsa Sahnish College!

We are proud to bring you this Annual Report, highlighting some of the achievements and accomplishments of our college in the past year. Our school continues to ramp up efforts of serving the whole student, and there, our whole community. NHSC’s mission is to provide quality, cultural, academic, vocational and educational services to the MHA Nation. We offer students high quality learning environments and rich experiences that prepare them for their futures. I am proud of the work our team has accomplished, and the milestones our students reach each year. While we are the chartered higher education institution of the Mandan, Hidatsa & Arikara Nation, our doors are open to anyone seeking to further their higher education goals. I believe that the education our students receive prepares them for an increasingly diverse world, and offers perspectives and voices that can't be found on other campuses. Our staff and faculty are committed to student success, service and scholarly work that puts our students in the best possible position to achieve.

Along with our strong commitment to academics, our campus is a hub of activity. We strive to offer a full and rich campus experience for our student body, which means opportunities for leadership, clubs and organizations, and an active student life. We continuously seek student input on improving campus life as we are able.

I invite you to come visit our campus and check us out. I offer my sincerest thanks to our leadership, our staff and faculty, and our Board and tribe for their support and commitment to NHSC. I also offer my thanks to our students, without whom none of this is possible.
