»»» 2022-2023 RUN RECAP

The 22-23 Cross-country Season was a major success in my eyes and from the eyes of many people who were there to witness. It wasn't uncommon for NHSC jersey's to be lined next to NCAA Division 1 and 2 colleges Powerhouses like NDSU, University of Minnesota and UND. With many possible prospects at state for track in the upcoming weeks, we cross our fingers for their success and decisions that may send them our way.
